

At just 5kgs and 27cm wide the DD122 Mini offers so much in battle against damp and condensation. Capable of extracting 6L of moisture per day (20°C RH60%) at temperatures from 1°C to 40°C.

Our lightest and most compact Desiccant Dehumidifier actively controls humidity by simple Touch Button Controls and incorporates a three position Swing Louvre, a Timer Function for 2h/4h/8hrs with the safety features and user alarms that you would expect from an EcoAir product.

Ideal for small homes, apartments, caravans, boats, garages and outside storage.

Features:

- Two Year Warranty
- Compact Space Saving Design
- Desiccant Technology
- Extraction of 6L per day (20°C/ 60RH)
- Simple Touch Button Control
- Quiet Operation (as low as 32dBA)
- Tank Full Indicator
- A choice of Humidity Settings including a Laundry Mode
- Intelligent Humidity Sensor
- Three Position Swing Louvre
- Anti-Allergic Deodorising Filter
